

GM Residents' Survey

October 2024

About the Survey

About the survey

The GM residents' survey is designed to regularly gain insight from the people of Greater Manchester about their attitudes, behaviours and experiences of living in our city region.

The survey began against the backdrop of the Covid-19 (coronavirus) pandemic but since then supports our Greater Manchester Strategy ambitions by collecting information on topics of use to local authorities and a wide range of partners. The survey is designed to help:

- Design, tailor, target and evaluate our approach to policy interventions, communications and engagement.
- Track our impact on communities over time
- [Resident Surveys - Greater Manchester Combined Authority \(greatermanchester-ca.gov.uk\)](https://greatermanchester-ca.gov.uk)
- Approx quarterly
- Per wave: ~1500 participants, ~150 from Bolton
- Currently commissioned till March 2025 (wave 17)
